Note: Special education placements *may* be at a partnership site (indicated by asterisks), but this is not a requirement. In addition, General Special Education interns can also consider other schools *not* listed above as long as the placement meets additional program requirements. Consult with the Field Experience Office if you have questions about other placement sites.

**Music Education**

During the coming months, please communicate with Mark DeTurk ([Mark.Deturk@unh.edu](mailto:Mark.Deturk@unh.edu)) regarding approved placement sites and the process for visiting placement schools and identifying your cooperating teacher(s).

As a reminder, you will be required to visit at least two potential elementary sites and two potential middle/secondary sites. As a matter of policy, you are not permitted to intern in a school that you attended as a student, where your children attend as students, or where you have relatives on the staff.
