Dear PEP Student/ Parent,

We will be holding a PEP open house for all new and returning students, parents, and PEP teachers Friday, January 29 at 6:00 PM. in Room M-128 of the Paul Creative Arts Center. This will afford you an opportunity to ask any questions that you may have about our program and meet some of the teachers.

The attached PEP overview, schedule, and registration form include all necessary information about the program, so please read them carefully, even if you are a returning student.

The cost of the second term is $227.50.
There is a 10% discount for families with more than one in the program:
2 children taking lessons = $409.50 this semester
3 children taking lessons = $614.25 this semester

If you wish to study with a recent graduate, Emily Kaczynski will be teaching. Please note that the fee for studying with a graduate teacher is slightly higher.

The cost of the second term with Emily is $260.00
There is a 10% discount for families with more than one in the program:
2 children taking lessons = $468.00
3 children taking lessons = $702.00

Lessons will be arranged individually with teachers and will occur at UNH in various practice rooms, studios, and classrooms. Group lessons will take place on the scheduled dates, also at UNH, and generally in M-219. This year I have once again scheduled the group lessons on different nights of the week, rather than always on Fridays; this system has been very successful in recent years, and I hope that it will continue to allow many of the enrolled students to attend group lessons frequently. (All group lessons are at 6:00 PM for less advanced students, and 7:00 for more advanced students and/or adults.) I continue to be grateful that the music department generously allows our program to use the PCAC as its home base!

If you cannot attend the open house on January 29, please send in your registration form and payment as soon as possible so I can assign teachers and make all other logistical arrangements! Please note that the registration form includes a space for you to write any comments or requests. I look forward to meeting and hearing you all!

Very fondly,
Christopher Kies
