**The Piano Extension Program (PEP) Enrollment Information**

The PEP enrollment is done online at [www.unh.edu/youthprograms](http://www.unh.edu/youthprograms). The PEP sessions are listed under ‘Academic Year Programs’.

The online registration includes 3 steps:

1. Choose the PEP class you wish to enroll in. You will be directed to either create an account or Log In with your current account user name and password.
2. Add to Cart or Enroll Now and answer registration questions.
3. Make a payment via credit card. Full payment is required at the time of enrollment.

**For returning students and users:** If you have enrolled yourself or a child from the online registration site before, *do not create a new account* – use the same account currently in the system and log in with the student user name and password. There is a ‘Forgot Password’ and ‘Forgot User Name’ function if needed.

For returning students of Ms. Austin*, you will not need to enter the code or seek Prof. Tu’s permission to register under her again.

*If you are interested in lessons taught by Ms. Austin, who graduated from UNH in 2016, please contact Prof. Tu at [hsiang.tu@unh.edu](mailto:hsiang.tu@unh.edu). Her rates and sections are listed as “GRAD”. If your request is approved, you will receive a group code. You must have the group code before completing registration.

**For new students and users:** If you have not enrolled a student from the online registration site, then you will need to create a student account (NOTE: if you are parent enrolling a child under age 18, the account should be in the student’s name, not that of the parent/guardian).

**For family registration:** If you are registering more than one student for PEP, a 10% tuition discount is available. Input `pepsib` into the coupon code box for the subsequent student(s) during checkout for the discount to be applied. The discount must be utilized at the time of initial enrollment.

**NOTE:** An account must be created for each student – but the same email address can be used for multiple accounts. If you are enrolling more than one child/student, then an account must be created for each and the enrollment and payment completed separately.

We recommend reviewing the [Online Registration Instructions](http://www.unh.edu/youthprograms) before enrolling.

If you need assistance while enrolling, please call 603-862-7227 and press 1 to reach our Service Desk.
