SKYWARN
Training Session
Wednesday, 9 April 2014
6:30 PM – 8:30 PM
S145 Kingsbury Hall

SKYWARN is the U.S. National Weather Service’s volunteer severe weather event spotting program. A representative of the National Weather Service will teach the proper identification and reporting of severe weather events. For more information, please contact one of the following people, and visit http://skywarn.org

Mike Carter (mike.carter@unh.edu) 862-4328
Jason Jasper (k1fdp@metrocast.net) 822-4114
Mary Stampone (Mary.Stampone@unh.edu) 862-3136

This SKYWARN training session is co-sponsored by the UNH Departments of Geography and Electrical & Computer Engineering.
