\* The current Graduate Catalog defines full-time as follows: "Graduate students registered for 9 or more credits, Master's Continuing Research, or Doctoral Research are classified as full-time students. Students holding assistantship appointments are also considered full-time and must register for a minimum of 6 credits, Master's Continuing Research, or Doctoral Research each semester".

**Please note:** The above financial aid is available to full-time students only. For part-time students, the Graduate School provides a limited number of part-time tuition scholarships that are available on a competitive basis. For more information and application forms, log on to [www.gradschool.unh.edu](http://www.gradschool.unh.edu) or phone the Graduate School at 603 862-3000.
