

University of New Hampshire
EDUCATIONAL STUDIES PROGRAM
Intent to Dual Major Form

In order to officially declare Educational Studies as a dual major, you will need to have either entered UNH with a declared major other than Educational Studies, or, if you entered as undeclared, you must have already declared a first major. Alternately, you can declare your first major at the same time as you declare the Educational Studies dual major. You must also have a GPA of 2.50 or better; therefore, you must have at least completed your first semester of study at UNH.
