The intent of this form is to determine which schools you are interested in interning at during the 2016-2017 academic year. We define our "cluster schools" as local schools that we have a long-term partnership with in order to provide a quality internship experience for our students. The schools are grouped together based on grade level and vicinity to each other. As a matter of policy, you are not permitted to intern in a school that you attended as a student, where your children attend as students, or where you have relatives on the staff.

Descriptions of each UNH-Durham Elementary School Cluster Site are available online at <http://cola.unh.edu/education/forms>. (See "Forms for Elementary Interns".) We invite you to read over those materials and think about which school cluster will best meet your needs.

**FROM THE LIST BELOW, SELECT THE THREE "CLUSTER SCHOOLS" THAT INTEREST YOU THE MOST AS A UNH INTERN. PRIORITIZE YOUR PREFERENCE FROM 1 TO 3 (FIRST CHOICE TO LAST CHOICE).**

\_\_\_ Deerfield/Epping (Deerfield, NH or Epping, NH)

\_\_\_ East Kingston/Swasey Central (East Kingston, NH or Brentwood, NH)

\_\_\_ Maple Wood/Woodman Park (Somersworth, NH or Dover, NH)

\_\_\_ Mast Way/Moharimet (Lee, NH or Madbury, NH)

\_\_\_ Manchester Schools (*Check here if you are interested in schools in the Manchester area. You will then be assigned to the Manchester cluster and will receive information on your specific school later. If you are certain you wish to intern in the Manchester area you do not need to indicate any other preference.*)

✓ **IF THERE ARE EXTENUATING CIRCUMSTANCES OR IMPORTANT FACTORS FOR WHY A PARTICULAR CLUSTER IS YOUR FIRST CHOICE, PLEASE PROVIDE A DESCRIPTION OF THOSE FACTORS.** (Please note that we cannot guarantee any particular school placement.)
