## HONORS IN PSYCHOLOGY

The minimum requirements for honors work in Psychology will be the following:

1. An overall grade point average of 3.2 and a minimum grade point average in Psychology of 3.4 at the end of the sophomore year.\* (3.2 GPA if admitted to the University prior to Fall 2002).
2. Passing Psychology 401, Psychology 402, and Psychology 502 with a grade of B or better.
3. Submitting an application to the chairperson of the Psychology Honors Program.

To be awarded "Honors in Psychology," each student must complete 20 credit hours of honors courses (including 8 credits of Senior Honors Thesis) within the Department. In addition, each student must attain an overall GPA of 3.2 and a Psychology GPA of 3.2.\*\* The student must earn at least a B on the Senior Honors Thesis (797 & 799), and a B- in each honors seminar.

In order to fulfill these requirements, the student may choose from the following options in consultation with his or her advisor:

1. Students must choose three courses from the following options:
  - Honors sections of 700-level courses (any 700-level course, other than 793, 795) may be designated as "Honors") with permission of the instructor.
  - Any graduate seminar with the permission of the instructor, the department, and the Graduate School (seniors only).
2. Each student must complete Psychology 797, the Senior Honors Tutorial, and Psychology 799, Senior Honors Thesis. The Senior Honors Thesis will culminate in a public presentation.

\*It is possible to apply up to the end of the junior year. All honors students must have a faculty sponsor for their thesis PRIOR TO the beginning of the Fall semester of their senior year. Psychology 797 and 799 are offered only in a Fall/Spring sequence.

\*\*Psychology GPA of 3.4 is required for students who enter UNH as of Fall 2002.
