

University of New Hampshire  
College of Liberal Arts

## PHILOSOPHY

### DEGREE OPTIONS

Philosophy, B.A.

Philosophy, B.A.: Business, Innovation and Technology Option

Philosophy, B.A.: Ethics and Social Responsibility Option

As participants in a conversation that extends back to the Ancient Greeks and the Vedic Scriptures, you will acquire the ability to think systematically and imaginatively about fundamental and enduring issues such as morality, justice, beauty, gender, race, nature, artificial intelligence, space, time, and the meaning of life and death. Our internationally renowned professors emphasize discussion, debate and writing, and wrestling with these big questions will prepare you exceptionally well for a wide variety of fulfilling careers. As a lively and nurturing community personally invested in the success of our high achieving students, we take pride in watching our graduates of the philosophy program go on to excel in top law schools, elite graduate programs and prestigious positions from Wall Street to Silicon Valley.

### PROGRAM HIGHLIGHTS

Small classes with world-famous scholars invested in student success

Socratic Society weekly student discussions

Participation in the annual UNH Undergraduate Research Conference and the Northern New England Philosophical Association Conference

Opportunities for community engagement such as Hosting Young Philosophy Enthusiasts, the annual high school philosophy conference at UNH

### TOPICS YOU MAY STUDY

Happiness and the good life

Law, medicine and ethics

Ancient philosophy

Logic

Philosophy and feminism

Neuroscience and philosophy

Existentialism

Modern philosophy

Future of humanity

Economic justice

Business ethics

---

“As part of classes and discussions through the UNH Philosophy Department, I have learned a great deal and my perspective on the world around me has changed for the better. As a philosophy major, I have gained life-long friends both in faculty members and in students. I am truly honored to have been a part of such a rich and fulfilling academic community.”
